1) Those are not exclusive builders and exhibitors are free to choose other contractors. IAAPA is aware that many stand builders will offer you tempting and cheap quotes. This can be a bad investment and can lead, among many things, to:

- Booth violations due to poor finishing.
- Your stand not being approved onsite, prohibiting you to showcase.
- Your stand builders being banned from the show site.
- Hefty bills to you from IAAPA and the Venue.

IAAPA recommends you check your builder's reputation and to consult us in case of doubt. Please email [OperationsEMEA@IAAPA.org](mailto:OperationsEMEA@IAAPA.org)
